RULES AND REGULATIONS

1.0 Application of Tariff

This tariff contains the description, regulations, and rates applicable to the furnishing of telecommunications services provided by Mid-Com Communication, Inc., with principal offices at 1601 Fifth Avenue, Suite 1000, Seattle, WA 98101. This tariff applies to intrastate intraLATA and interLATA services furnished within the State of Kentucky in compliance with and pursuant to Commission rules and regulations applicable thereto.

1.1 Undertaking of the Company

The Company's services are furnished for communications originating and terminating at points within the state of Kentucky under terms of this Tariff.

This Tariff governs the provision of switched message telephone services and directory assistance service within the State of Kentucky by resale of the services of facilities-based carriers. The Company's services are provided on a monthly basis, and are available twenty-four hours per day, seven days per week.

RULES AND REGULATIONS

1.2 Refusal or Termination of Service

1.2.1 Conditions Under Which the Company May Refuse or Terminate Service

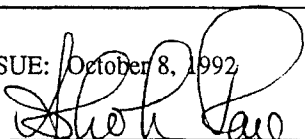

- (a) For noncompliance with the Company's tariffed rules or commission regulations. However, the Company will not terminate service without having made a reasonable effort to obtain customer compliance. Service will be refused or terminated after the company has given the Customer or potential Customer at least ten (10) days written notice.
- (b) For dangerous conditions. The Company will notify the Customer immediately in writing and, if possible, orally of the reasons for the termination or refusal. The notice shall include the corrective action to be taken by the Customer before service can be restored or provided.
- (c) For outstanding indebtedness.
- (d) For noncompliance with state, local or other codes. The Company will terminate service only after ten (10) days written notice unless ordered to terminate immediately by a governmental official.
- (e) For nonpayment of bills. The Company will terminate service only after ten (10) days written notice unless ordered to terminate immediately by a governmental official. Under no circumstance will service be terminated before twenty (20) days after the mailing of the original unpaid bill.

RULES AND REGULATIONS

1.2 Refusal or Termination of Service (continued)

1.2.1 Conditions Under Which the Company May Refuse or Terminate Service (continued)

- (f) For illegal use or theft of service. The Company may terminate service to a Customer without advance notice if it has evidence that a Customer has obtained unauthorized service by illegal use or theft. Within twenty-four (24) hours after such termination, the Company will send written notification to the Customer of the reasons for termination or refusal of service upon which the utility relies, and of the Customers' right to challenge the termination by filing a formal complaint with the commission.

1.2.2 Conditions Under Which the Company Will Not Terminate Service

- (a) If payment for services is made. If, following receipt of a termination notice for nonpayment but prior to actual termination of service, there is delivered to the Company payment of the amount in arrears, service will not be terminated.
- (b) If a payment agreement is in effect. Service will not be terminated for nonpayment if the Customer and the Company have entered into a partial payment plan and the Customer is in compliance with that agreement.

1.7 Obtaining Service

1.7.1 Application for Service

Service is offered subject to the availability of facilities and the provisions of this Tariff. To obtain service, the Company requires the Business Customer to complete a Sales Agreement form.

1.7.2 Establishment of Credit

The Business Customer must also establish credit.

- (A) For business accounts whose long distance usage over the last three months averages less than \$1,000 per month, the payment history with the previous carrier is determined by reviewing their phone bills. If charges are paid in full each month and no past due amount is carried forward, credit is established.
- (B) For business accounts whose long distance usage over the last three months averages \$1,000 or more per month, the payment history is determined by reviewing a report from the local credit bureau. If charges are paid in full each month and no past due amount is carried forward, credit is established.

(C) Amount of Deposit

Business Customer's deposits shall be based upon actual usage of the customer at the same or similar premises for the most recent 12-month period, if such information is available. If usage information is not available, the deposit will be based on the average bills of similar customers and premises in the system. The deposit shall not exceed 2/12 of the customer's actual or estimated annual bill where bills are rendered monthly, 3/12 where bills are rendered bimonthly, or 4/12 where bill are rendered quarterly.

(D) Return of Deposit

The deposit may be waived upon a Customer's showing of satisfactory credit or payment history, and required deposits will be returned after one (1) year if the customer has established a satisfactory payment record for that period. If a deposit has been waived or returned and the customer fails to maintain a satisfactory payment record, a deposit may then be required. Upon termination of service, the deposit, any principal amounts, and any interest earned and owing will be credited to the final bill with any remainder refunded to the customer.

(E) Interest on Deposits

Interest as prescribed by KRS 278.460, will be paid annually either by refund or credit will be made if the customer's bill, except that no refund or credit will be made if the customer's bill is delinquent on the anniversary of the deposit.

1.10 Customer's Request for Termination of Service

Any customer desiring service termination shall give the Company three (3) days notice. The notice may be a written notice or a telephone notice. If the customer notifies the Company of his request for termination by telephone, the burden of proof is on the customer to prove that service termination was requested if a dispute arises.

Upon receipt of the notice, the Company places an order with the underlying carrier to cancel the Customer's service. If the customer has switched access, the Customer's service is canceled when the LEC changes the Primary Interexchange Carrier (PIC) code or when the underlying carrier cancels the service offered by the Company. If the Customer has dedicated access, the Customer's service is canceled when the underlying carrier cancels the service offered by the Company.

1.15 Timing of Calls

Chargeable time is determined by the duration of the call. Calls are timed and measured by the underlying carrier, whose services are resold by the Company in accordance with its own Tariff.

1.15.1 *Infinity*[®], *InfinityDirect*[®], *Infinity*[®] 800, *InfinityDirect*[®] 800, *Optimus*[™], *Optimus*[™] Direct, *Optimus*[™] 800, *Optimus*[™] Direct 800, *Optimus*[™] Card, *Infinity*[®]Q, *Infinity*[®]Q Direct, *Infinity*[®]Q 800, and *Infinity*[®]Q Direct 800

T
I
T

Chargeable time begins when connection is established between the calling station and the called station.

Chargeable time ends when the calling station "hangs up". If the called station "hangs up" but the calling station does not, chargeable time ends when the connection is released by the automatic timing equipment.

When the Company's services are directly connected to a Customer-provided communications system at the Customer's premises, chargeable time begins when a call terminates in, or passes through, the first Customer equipment on that Customer provided communications system.

1.15.2 *InfinityPlus*[®], *InfinityDirect*[®]Plus, *Infinity*[®]Card Plus, *InfinityPlus*[®] 800, *InfinityDirect* Plus[®] 800. and Operator Toll Assistance.

T

Usage begins when the called party picks up the receiver and the local telephone company sends a signal to the switch which utilizes hardware answer supervision or software tone detection. A call is terminated when the calling party hangs up.

T

If the Customer subscribes to *Genesis*[®], *Genesis*[®]*Direct*, *Genesis*[®] 800, *Genesis*[®]*Direct* 800, or *Genesis*[®] *Travel Card*, calls are timed by the Underlying Carrier. A call is initiated when the called party answers and is terminated when the called party or calling party hangs up, whichever occurs first. The Underlying Carrier will determine that a call has been initiated upon answer supervision. Answer supervision is accomplished either by receiving a confirmation signal from equipment at the called end or, in the absence of such a signal, by audio detection when a ring or busy signal is not being received. In such cases, billing begins only after a minimum of 60 seconds has elapsed, when it is reasonable to assume the frequency monitoring device is deemed to have erred.
